

Speaking Engagements

Tiffany is available for fun and engaging presentations that provide practical information and ideas on how to improve the organization in your life. They are ideal for:

- Mom's groups (MOPS, neighborhood groups, etc.)
- Networking groups
- Workplace Lunch & Learns
- Girl and Boy Scout troops

Presentation topics include:

Find Your Calm™ Home Organizing Method Workshop

Tiffany will step you through her Find Your Calm™ Home Organizing Method and teach you how to reduce organizing overwhelm and complete your organizing projects. At the end of the workshop, you will be able to apply this organizing method in your home and create customized solutions for you and your family. The workshop will teach you how to reduce the time you spend looking for items and putting them away. You'll also discover how to stop wasting money on organizing products that don't work for you!

Wine, Dine, Organize

Just want to get solutions to those annoying organization problem areas in your home? Gather your friends, some wine, and snacks, and let's chat! Bring pictures and questions on all your trouble areas and get real-life solutions you can actually implement!

Create a Closet That Works for You

Do you have a large closet but can't find what you need when you need it? Or a small closet that is overflowing with clothes you never wear? A well-organized closet works for you (not against you!) and can make getting ready each day a breeze. Get help deciding what to keep and what to purge, ideas for the best way to sort and store clothing and accessories, product ideas to maximize your space, and tips for maintaining organization on a daily basis. Bring pictures of your closet organizing challenges and get solutions to implement right away!
